## Lake View Hospital

Danville, Illinois

Dear Mom and Dad,

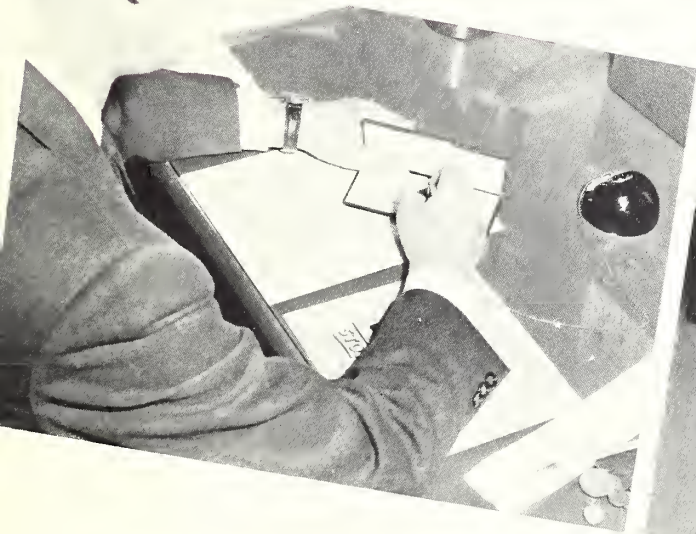

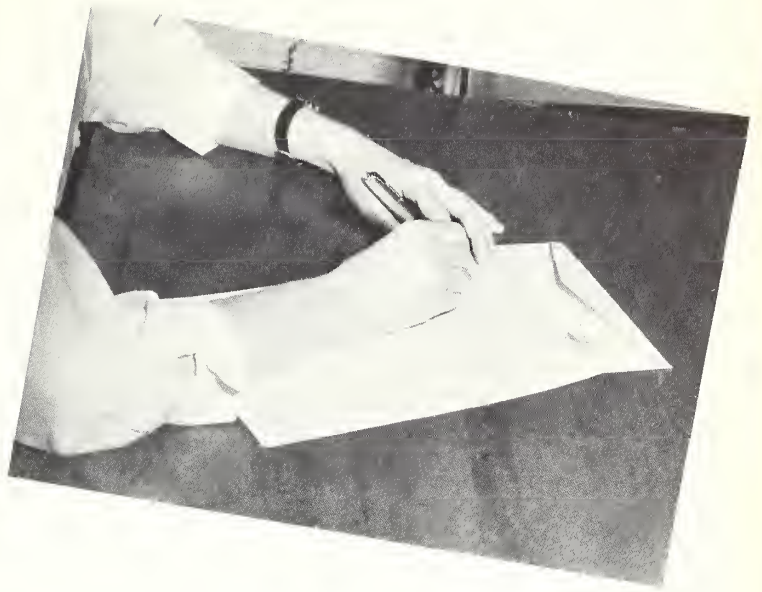

I'm munching the last of the cookies you sent, as I write this letter. I said that Mom is the best cook in the whole world and I still think so!

It hardly seems possible that we've almost finished our days as a student nurse, and have been away from home nearly three years. Since I've had to get my family life from letters, I really appreciate your writing regularly and always look forward to mail time. Thanks for the check, Dad. With all these graduation expenses, you saved the day.

But most of all, Mom and Dad, we are grateful for your prayers, a most important factor in helping us to complete our course successfully. Realizing how fortunate we are to have Christian parents like you, and in appreciation for everything you've done, we humbly dedicate our annual to you.  
God bless you always -

Love  
Your Daughter  
I.H.

"THE CAP"

Oh, student nurse, you do but little know  
Of all that lies before you, joy and woe;  
Throw back your shoulders, walk with firmer tread  
Because you wear a cap upon your head.

The cap means love and service to mankind,  
To old and young distressed, and the blind.  
You must hold out your hand in loving care  
And keep the faith whene'er the cap you wear.

God of Light, look down tonight we pray  
And bless each nurse as she goes on her way  
Help her to be willing, glad to do her part,  
A lighted candle shining in her heart.

Mrs. T.K. Harris
